

EASA Certification Information

No.: 2013 - 09
Issued: 26th July 2013

Subject: Transfer of Type Certificate for Hot Air Balloons CS, JZ and JZX series from Altisph'Air to Ballons Chaize, SARL

Type Certificate No: EASA.BA.015

Issue date: 26th July 2013

Issued by: European Aviation Safety Agency

Former holder of the Certificate: Altisph'Air
EASA DOA ref: EASA.AP082

New holder of the certificate: Ballons Chaize, SARL
EASA DOA ref: EASA.AP403

Context:

Altisph'Air made an application on 1st March 2013 to EASA for the transfer of the EASA Type Certificate (TC) EASA.BA.015 to Ballons Chaize.

Ballons Chaize, SARL holds an EASA Design Organisation Approval (ref. EASA.AP403) and is deemed to be able to undertake the obligations of point 21.A.44 and for this purpose, has demonstrated its ability to qualify under the criteria of point 21.A.14 (b) of the Annex – Part 21 to Commission Regulation (EU) No 748/2012.

As a consequence, EASA has accepted the transfer and re-issued the following EASA Type Certificate:

Former TC reference
EASA.BA.015

New TC reference
EASA.BA.015

All airworthiness authorities having type certificated CS, JZ and JZX products are invited to re-issue their type-certificate, or equivalent document, to reflect this TC transfer.

All Airworthiness Directives (ADs) related to these products are still applicable unless replaced or cancelled.
