Hungary

Background: NOTHEISZ BALLOON HUNGARY Kft. is the holder of European Aviation Safety Agency ("EASA") Type Certificate No. EASA.BA.025 for the TOMI Series: AX-6, AX-7, AX-8, AX-9 and AX-10.

The above-mentioned hot air balloons were initially approved under Type Certificates No. CAA-HU TC 262381/82 for the TOMI AX-6/ MHSz-AX-6 series, No. CAA-HU TC 266845/82 for the TOMI AX-7/RSz-05 AX-7 series, No. CAA-HU TC L1/214/86 for the TOMI AX-8 series, No. CAA-HU TC 253572/82 for the TOMI AX-9 series as well as No. CAA-HU TC LI/IG102//09 for the TOMI AX-10 series issued by the Hungarian Civil Aviation Authority ("CAA-HU").

EASA type certification for these hot air balloons was granted in accordance with Article 3, point 1 (a) (i) of Commission Regulation (EU) No. 748/2012¹ based on the CAA-HU type certification of these products (CAA-HU TC 262381/82, CAA-HU TC 266845/82, CAA-HU TC L1/214/86, CAA-HU TC 253572/82 and CAA-HU TC LI/IG102//09).

¹ Commission Regulation (EU) No. 748/2012 of 03 August 2012 laying down implementing rules for the airworthiness and environmental certification of aircraft and related products, parts and appliances, as well as for the certification of design and production organisations (OJ L 224, 21.08.2012, P.1)

EASA has determined that further to the liquidation of the company NOTHEISZ BALLOON HUNGARY Kft. the EASA Type Certificate No. EASA.BA.025 does not have a valid Type Certificate holder. Therefore, EASA intends to revoke EASA Type Certificate No. EASA.BA.025.

EASA hereby asks you to communicate this notice to any natural or legal person to whom this revocation could be of direct and individual concern as well as to other possible interested persons. When doing so, EASA also asks you to inform them about the possibility until **31th August 2018** to comment and/or to express their will to take over the ownership of the above-mentioned EASA Type Certificate and after showing competence to fulfil the necessary obligations of a TC Holder in accordance with the applicable requirements.

A list of the direct and individual concerned and other possible interested persons should be sent to EASA.

After satisfactory evaluation of the comments received, EASA will take the decision to revoke EASA Type Certificate No. EASA.BA.025 or to initiate its transfer in accordance with the applicable administrative procedures established by EASA.

Contact: Any request, query or comment should be sent, no later than **31th August 2018**, to:
