

EASA Certification Information

No.: 2017-11
Issued: 30 June 2017

Subject: Request by Kelowna Flightcraft to surrender the grandfathered EASA Convair 340 and 440 aircraft Type Certificate A-220

Type Certificate No.: Transport Canada Type Certificate A-220, previously FAA Type Certificate 6A6, as originally owned by Consolidated Vultee Aircraft (Convair), later renamed General Dynamics Convair Division, then by Tracor Flight Systems, Inc. (from 25 September 1997) in Mojave, California, and finally (since 15 January 2001) by Kelowna Flightcraft in Kelowna, British Columbia (B.C.), Canada.

Affected product(s): Convair 340
Convair 440

Issue date: 15 January 2001

Issued by: Transport Canada

Type Certificate Holder: Kelowna Flightcraft Ltd.
#1 – 5655 Kelowna Airport
Kelowna, B.C. V1V 1S1
Canada

Background: On 26 June 2017 the Type Certificate Holder has requested to surrender the aforementioned TC to EASA.

EASA hereby asks you to communicate the aforementioned request to any natural or legal person to whom this surrender could be of direct and individual concern as well as to other possible interested persons. When doing so, EASA also asks you to inform them about the possibility, no later than **11 August 2017**, of commenting on the above.

After satisfactory evaluation of the surrender request, taking into account the comments received, EASA will accept the surrender request in accordance with applicable administrative procedures.

Contact: Any request, query or comment should be sent, no later than **11 August 2017**, to:
