

EASA Certification Information

No.: 2007- 10
Issued: 17 December 2007

Subject: **Transfer of Supplemental Type Certificates LBA TA0717 for Airbus A320-214, TA0719 for Airbus A310-304, and TA0721 for Airbus A310-304 from ASL Aircraft Services to EADS Elbe Flugzeugwerke**

Supplemental Type Certificate No: EASA.A.S.03274 (LBA TA0717)
EASA.A.S.03273 (LBA TA0719)
EASA.A.S.03272 (LBA TA0721)

Issue date: 8th October 2007

Issued by: European Aviation Safety Agency

Holder of the Certificate: EADS Elbe Flugzeugwerke, Dresden, Germany

Background: The request by the current Holder to transfer its Supplemental Type Certificates (LBA TA0717, TA0719 and TA0721) to EADS Elbe Flugzeugwerke has been accepted by EASA as of 24th August 2007 by EASA letter ref. EASA (D)2007/JNI/SBL/20179.

EASA has reviewed and issued on the 8th October 2007 Supplemental Type Certificates EASA.A.S.03274, EASA.A.S.03273 and EASA.A.S.03272 to update the STC holder reference.

In accordance with the international rules and the applicable EASA administrative procedure, upon acceptance of transfer, EADS Elbe Flugzeugwerke has endorsed all the responsibilities of the STC holder for the above models as of 25 October 2007.
