

EASA Certification Information

No.: 2009 - 15
Issued: 9 October 2009

Subject: Surrender of type certificate EASA TC no R.002 for models SA330F and SA330G by Eurocopter France

Type Certificate No: EASA.R.002
Issue date: 06 October 2009
Issued by: EASA
Holder of the Certificate: Eurocopter France

Background: The current Holder of type certificate (TC) EASA.R.002 has requested to surrender its TC to EASA with regard to the models SA330F and SA330G.

EASA hereby asks you to communicate the aforementioned request to any natural or legal person to which this surrender could be of direct and individual concern as well as to other possible interested persons. When doing so, EASA also asks you to inform them about the possibility until **8th November 2009** to comment and/or to express their will to take over the ownership of the aforementioned type certificate upon surrender and after showing competence to fulfil the necessary obligations of a TC Holder in accordance with the applicable rules.

A list of the direct and individual concerned and other possible interested persons should be sent to EASA.

After satisfactory evaluation of the request taking into account the comments received, EASA will accept the aforementioned surrender and take the decision to revoke the TC of reference in accordance with the applicable EASA administrative procedure.
