Ramp Inspections – Qatar Airways Perspective

- **Standardisation of Inspections**
- **AOC Admin Issues – Certified True Copy ?**
- **Safety should be Priority – What is the real Objective ?**

Ramp Inspections – the Way Forward

- **Global ICAO/IATA AOC Database**
- **Information to the Airlines outlining Objectives of the Ramp Inspection**
- **Common Standard Checklist**
- **Education – Airlines and Inspectors**

HOWEVER !!

- **Does it improve Safety ? Yes and No !**
- **Is it the correct use of Resources?**
- **Performance Based Oversight ? Findings ?**
- **What are the Safety issues affecting the Industry ? Is it Ramp Inspections !**

Qatar Airways Recommendations :

- **Global Ramp Inspections Checklist (ICAO/IATA)**
- **Safety Only**
- **Training of Ramp Inspectors**
- **Sharing of Safety Data**
