[EASA Conference on Future Aerodrome Rules - Presentations](#)

---

**Description**

EASA is organizing a conference focusing on the proposed set of rules related to the Authority, Organisation and Operations Requirements for Aerodromes, which were published for public consultation on 13 December 2011, with a closing date for comments on 30 April 2012 via EASA NPA 2011-20.

The aim of the conference is to introduce the draft rules, to exchange views with the stakeholders and to identify steps to be taken by the Agency, competent authorities and aerodrome operators to ensure compliance with the rules.
