

European Union Aviation Safety Agency

FAQ n.110297

FAQs:

[Overview of the Recruitment process](#) , [Recruitment](#)

Question:

I am on an EASA valid reserve list. When can I expect an offer of employment?

Answer:

Being part of a reserve list does not guarantee recruitment and the receipt of an offer of employment. Should there be a vacant post, the hiring Department consults the available reserve list(s) and checks, which is the best fit at the time of recruitment.
