

European Union Aviation Safety Agency

FAQ n.110298

FAQs:

[Overview of the Recruitment process](#) , [Recruitment](#)

Question:

I have successfully passed the European Personnel Selection Office (EPSO) Contract Agent Selection (CAST) exams and I am on an EPSO reserve list. Can I apply for a vacancy at EASA?

Answer:

At EASA, we use the EPSO database very rarely to recruit candidates since EASA runs its own selection procedures. Therefore, you may still apply for a job opening at EASA by applying through our [Careers portal](#).
