## FAQ n.115367

### FAQs:

[Airspace Usage requirements – DLS/CPDLC \(controller-pilot data link communication\)](#),

[Airspace Usage requirements](#), [Regulations](#)

### Question:

**Does my aircraft need to be listed on the aircraft CPDLC ‘white list’ or ‘log-on list’ to be compliant with the DLS IR?**

### Answer:

An aircraft is technically compliant with the DLS IR if it has been demonstrated that the aircraft datalink installation is compliant with CS-ACNS, no further demonstration of compliance is required. Being included in the so-called ‘white list’ or ‘log-on list’ is not a regulatory requirement.
