## FAQ n.19469

### FAQs:

[Miscellaneous](#), [ETSO authorisations](#)

### Question:

**What is the EASA position on PMA (Parts Manufacturer Approval) approvals?**

### Answer:

EASA has documented how an approval can be issued by the Agency to an organisation under the regulatory oversight of the FAA for a part designed under their PMA system. Refer to EASA policy in [ED Decision 2007/003/C](#).
