Considerations "at the departure airport", Passenger Health Safety - COVID-19, Passengers

Question:

I can't judge how much extra time I should allow for checks and procedures, what is the recommendation?

Answer:

Check the website of your departure airport and with your airline for information. You need to allow sufficient time to cover all steps needed: checking in your luggage, at the security check, passport control (if required), at the gate and the boarding of your flight.
