

European Union Aviation Safety Agency

## FAQ n.136162

### FAQs:

[Design certificates and design organisation approvals — Restrictive measures Russia, EU restrictive measures against Russia](#)

### Question:

**Are EU organisations permitted to answer questions received from the Russian Federal Air Transport Agency (FATA) about ongoing validation of modifications?**

### Answer:

No. Providing answers to the questions would constitute technical assistance to FATA, which is prohibited by the EU sanctions.
