Approval fee: One facility is included in the organisation approval fee as well as in the annual organisation surveillance fee. For the second and each subsequent facility, additional approval fees are charged. This can be in the phase of the initial approval as well as during the surveillance phase.

Surveillance fee: For facilities added **after** the initial organisation approval, the surveillance fee shall be adapted as of the next fee cycle, following the approval of the change.

Temporary sites, as detailed in the MOE, are not subject to fees.

C.4.5 - Do I have to pay fees for each training course?

Answer

One training course is included in the initial approval fee. If you offer more than one training course, approval fees are charged for each additional course. This can be in the phase of the initial approval as well as during the surveillance phase.

No additional surveillance fee is charged for training courses.

Changes, upgrades, amendments to existing training courses are not subject to fees.
