FAQ n.21901

FAQs:

[Supplemental Type Certificates \(STC\)](#) , [Applications for product certification/validation of foreign certificates](#), [Certification of products and organisations](#)

Question:

Why can't I find an STC on the EASA STC List?

Answer:

The Agency applies its best efforts to ensure completeness of this list.

The EASA STC list compiles Supplemental Type Certificates issued by EASA since 03/06/2004. All EASA STCs are published except:

- 'Grandfathered' STCs issued by the EU Member States prior to 29/09/2003.
- STCs issued by Switzerland (FOCA) prior to 2007
- Recently issued STCs may not yet appear on the list

Should you discover missing data or for any other question, we kindly request you to contact the following mailbox [STC \[at\] easa.europa.eu](mailto:STC@easa.europa.eu) ([STC\[at\]easa\[dot\]europa\[dot\]eu](mailto:STC@easa.europa.eu))
