**Question:**

**Who issues the remote pilot competency certificate for the 'open' category and how long is it valid for?**

**Answer:**

For the 'open' category or standard scenarios, the National Aviation Authority is responsible for issuing the certificates. A certificate for Remote Pilot competency **is valid for 5 years**. If the revalidation is conducted before the certificate expires, the remote pilot may attend a seminar provided by the National Aviation Authority or by an entity recognised by it, otherwise competencies need to be re-demonstrated.
