

## Executive Director Decision

**DECISION N° 2023/010/ED  
OF THE EXECUTIVE DIRECTOR OF THE AGENCY  
of 22 May 2023**

**replacing Annex 1 of the Decision N° 2022/030/ED of the Executive Director of 16 November 2022  
'Recognising that the system of the State of Israel includes the same independent level of checking of  
compliance in the field of production as provided by Commission Regulation (EU) No 748/2012'**

THE EXECUTIVE DIRECTOR OF THE EUROPEAN UNION AVIATION SAFETY AGENCY,

Having regard to Commission Regulation (EU) No 748/2012 of 3 August 2012 laying down implementing rules for the airworthiness and environmental certification of products, parts and appliances, as well as for the certification of design and production organisations<sup>1</sup>, and in particular Article 9(2) thereof,

Having regard to Decision 2022/029/ED of the Executive Director of the Agency of 16 November 2022 on the acceptance of foreign production, and in particular Article 5 thereof.

Whereas:

- (1) The Decision N° 2022/030/ED of the Executive Director of 16 November 2022 recognising that the system of the State of Israel includes the same independent level of checking of compliance in the field of production as provided by Commission Regulation (EU) No 748/2012 contains in its Annex 1 a list of Israeli manufacturers and their parts and appliances which can be accepted in the European Union under Article 9(2) of Regulation (EU) No 748/2012.
- (2) On the 1<sup>st</sup> of March 2023 the Civil Aviation Agency of Israel submitted to the Agency a request to add to the list contained in Annex 1 of Decision N° 2022/030/ED additional parts and appliances manufactured by Israel Aerospace Industries Ltd. for which the relevant design approvals have been issued the Agency. The Agency has assessed that request and concluded that it complies with the conditions laid down in Decision 2022/029/ED and in particular its Article 3.
- (3) The Agency has also identified a need for certain clarifications and corrections to Annex 1 of Decision N° 2022/030/ED which should be therefore updated accordingly.

HAS DECIDED AS FOLLOWS:

---

<sup>1</sup> Commission Regulation (EU) No 748/2012 of 03/08/2012 laying down implementing rules for the airworthiness and environmental certification of aircraft and related products, parts and appliances, as well as for the certification of design and production organisations (OJ L 224, 21.8.2012, p.1-85 - EASA Part 21), as last amended.
