	COM	Personal data					Data protection/ public safety	

Work packages

Themes of the workshop

Day 1 → Action plan in the context of air operations

- Airlines perspective
- • Aircrew perspective : Pilots and Cabin Crew
- Parallel Airlines / ATM-ANS service providers

Day 2 → Medical assessment of aircrew fitness

- Requirements for aero-medical assessment
- • Aero-medical data repository
- Aero-medical examiner training and competence
- Aero-medical examiner oversight and peer networks

Context and objective of the workshop

➤ Context:

The Agency has been tasked by the European commission to implement the Germanwings Task Force recommendations.

➤ Objective of the workshop:

- Focus on the most efficient and effective way to implement the recommendations
- Getting feedback based on the preliminary concepts

Your support is needed

In this workshop, we would like to:

- **Allocate sufficient time for discussions**
- **Exchange views on implementation**

Reminder: documents on WEB

If you do not want your documents to be uploaded in our webpage
