## FAQ n.136181

### FAQs:

[Aircrew training and licensing — Restrictive measures Russia, EU restrictive measures against Russia](#)

### Question:

**Is it allowed to issue a Part-FCL licence on the basis of a Russian licence (i.e. conversion)? Is there a difference if a person is a Russian citizen or not? If not, what to do with persons who have already started the process?**

### Answer:

Such licence issue would necessitate some training, testing, and checking, which may be permitted, see [FAQ #139493](#). However, competent authorities are reminded that licence conversion may necessitate contacting the Russian licensing authorities, which is currently not feasible.
