Description

EASA is hosting a webinar on Safety Management System (SMS) in Part-145.

The aim of this webinar is to help the National Competent Authorities in their implementation of [Reg. \(EU\) 2021/1963](#) and their assessment of Safety Management Systems of Part-145 organisations.

This event is addressed to the **COMPETENT AUTHORITIES** of the EASA Member States only.

Registration

For registration, please contact your P&CA TeB representative.
