Description

The ‘Workshop on Risk-Based IOSA’ is organised by the European Union Aviation Safety Agency (EASA) and the International Air Transport Association (IATA), prior to the Air Operations Technical Body (Air OPS TeB) meeting 2024-01, to address the latest developments of the [IATA Operational Safety Audit \(IOSA\) Programme](#), which should serve as a basis for further discussions in the Air OPS TeB on the use of industry standards/programmes.

Registration

On invitation only.
