

Direct accreditation of Qualified Entities — FAQs

What is a Qualified Entity?

Answer

A Qualified Entity is a legal person accredited by EASA or an EASA Member State competent authority to perform certification or oversight tasks on their behalf

How can I apply to be accredited as qualified entity?

Answer

Applications can only be submitted during a call for expression of interest and for the scope applicable to the call. Applicants must submit a duly filled application form FO.ACC.0111 and supporting documents to EASA. More information can be found on the [Direct accreditation of Qualified Entities](#) page

My National Authority has accredited me, how can I be included in EASA's list?

Answer

Please contact EASA at `qualified.entities [at] easa.europa.eu` (`qualified[dot]entities[at]easa[dot]europa[dot]eu`) and request inclusion in the list of accredited entities published on the EASA website. We will then collaborate with your National Authority to establish whether the criteria set for mutual acceptance have been met.

How can I surrender my accreditation certificate?

Answer

Please contact EASA at `qualified.entities [at] easa.europa.eu` (`qualified[dot]entities[at]easa[dot]europa[dot]eu`) and request the surrender of your accreditation certificate. Please do not forget to cite your accreditation number and reason for surrendering your certificate. EASA will then start the surrender process.
