

European Union Aviation Safety Agency

FAQ n.44552

FAQs:

[Medical](#), [Regulations](#)

Question:

Who can perform the Cabin crew aero-medical assessment?

Answer:

Cabin Crew aero-medical assessment can be performed by any AeMC or AME authorized to perform aero-medical examinations in accordance with Regulation (EU) 1178/2011. In addition to that, subject to national provisions, aero-medical examinations and assessments may be performed by Occupational Health Medical Practitioners (OHMPs). For more details, please refer to the website of the competent authority of a Member State where you are planning to apply. The list of Member States and the websites of their competent authorities can be found on our website under ['EASA by Country'](#).
