

**FAQ n.45944****FAQs:**

[ATM Basics](#), [Air Traffic Management \(ATM\) / Air Navigation Services \(ANS\)](#),  
[Regulations](#)

**Question:**

**What is the 'Cover Regulation'?**

**Answer:**

*Reference: Regulation (EU) No 2017/373*

The Cover Regulation includes the first 10 articles of the referenced Regulation, which:

- explain the principles and considerations of the legislator when adopting the regulation (the 'whereas' clauses);
- define the regulation's objective and scope including to whom/what the regulation and its annexes apply;
- establish the applicability and enter into force dates, including any grandfathering and transition measures for the adaptation to the new rules.
