

European Aviation Safety Agency

DECISION N° 2005/10/C

OF THE EXECUTIVE DIRECTOR OF THE AGENCY

Of 16 November 2005

on the implementation of the provisions of Article 2.3(c) of Commission Regulation EC N° 1702/2003 to several products for which Poland is State of design and amending the Attachment to Decision 2004/01/CF on the implementation of Article 2.3(a) of the Commission Regulation (EC) 1702/2003

THE EXECUTIVE DIRECTOR OF THE EUROPEAN AVIATION SAFETY AGENCY,

Having regard to Regulation (EC) No 1592/2002 of the European Parliament and of the Council of 15 July 2002 on common rules in the field of civil aviation and establishing a European Aviation Safety Agency, in particular to Article 15 thereof;

Having regard to Commission Regulation (EC) No 1702/2003 of 24 September 2003 laying down implementing rules for the airworthiness and environmental certification of products, parts and appliances, as well as for the certification of design and production organisations, thereafter the “Commission Regulation (EC) 1702/2003”, in particular to Articles 2.3(c) and 2.10;

Whereas:

- (1) Pursuant to Decision No 2004/01/CF of the Executive Director of the Agency of 28 April 2004, on the implementation of Article 2.3(a) of the Commission Regulation (EC) 1702/2003, some products are still under national aviation authority responsibility;
- (2) The Agency has started the review of the airworthiness codes used and service experience of these products, in order to determine the type-certificate of these products before 28 March 2007;
- (3) The Agency has now completed the review of the airworthiness codes and type-certification bases used by Poland as well as their service experience with the products listed in this Decision, thereby making it possible for the Agency to determine the type certificates for those products.

HAS DETERMINED:

Article 1

Determination of the type-certificate

In accordance with Articles 2.3(c) of the Commission Regulation (EC) 1702/2003, the Agency hereby determines the type certificates of the products listed in the attachment of this decision that will be issued with the number thereon.

Article 2

Airworthiness directives

The applicable airworthiness directives are those of the State of design at the date of this decision.

Article 3

Determination of the type design

The type design as approved by Poland at the date of this decision is becoming the Agency type design in accordance with Paragraph 21A.31 of Part 21 of the Commission Regulation (EC) 1702/2003.

Article 4

Amendment of the Attachment to Decision 2004/01/CF on the implementation of Article 2.3(a) of the Commission Regulation (EC) 1702/2003

The products listed in the Attachment of this decision are hereby removed from the Attachment of Decision 2004/01/CF.

Article 5

Publication

This Decision will be published in the Official Publication of the Agency.

Article 6

Entry into force

This Decision shall enter into force on 16 November 2005.
