## FAQ n.100402

### FAQs:

[General](#), [ETSO authorisations](#)

### Question:

**How to start using SEPIAC?**

### Answer:

[SEPIAC](#) is a Shared Electronic Platform for Initial Airworthiness Certification to communicate during the ETSO project, after acceptance of a project by the ETSO admin team as a response to the submission of the project via the EASA Applicant portal. This [presentation](#) provides information for the first steps in SEPIAC for an ETSO applicant. More information on the use of SEPIAC is accessible in the SEPIAC portal, after the applicant has become a member of SEPIAC and has at least one admin account. How to become a member is described in aforementioned presentation.
