Description

Joining forces to make Europe the most efficient and environmentally friendly sky to fly in the world!

Europe for Aviation is proud to announce our participation at [Airspace World 2025 in Lisbon](#) from **May 13-15, 2025**, where we will showcase how collaboration is transforming Europe’s skies into a seamless, sustainable, and future-ready aviation ecosystem.

Who Are We?

We are the European aviation organisations working together to implement the Single European Sky.

Our partners include the European Commission (DG MOVE), the European Climate, Infrastructure and Environment Executive Agency (CINEA), the European Defence Agency (EDA), the European Union Aviation Safety Agency (EASA), EUROCAE, EUROCONTROL, the European Union Agency for the Space Programme (EUSPA), SESAR Deployment Manager (SESAR DM), and SESAR Joint Undertaking (SESAR JU).

Together, we are shaping the future of aviation through innovation, sustainability, and partnership.

What to Expect at Airspace World?

Join us at the **Europe for Aviation stand #H1894** to experience a range of exciting activities and updates:

- **Interactive Demonstrations:** Witness live demonstrations by Europe for Aviation partners, highlighting innovations that support sustainability and airspace modernisation.
- **Mini-Theatre Sessions:** Attend engaging presentations by Europe for Aviation partners to learn about the latest developments shaping the future of European aviation.
- **SESAR Walking Tours:** Take guided tours showcasing cutting-edge research in air traffic management and the implementation of SESAR solutions, driving smarter, greener and safer European skies.
- **Meet our Experts:** Connect with aviation specialists from across the Europe for Aviation partners. Gain insights into the latest policies, funding opportunities, technologies and solutions shaping European airspace.
