

European Union Aviation Safety Agency

FAQ n.19544

FAQs:

[Applicability](#), [Third Country Operators \(TCO\)](#), [Regulations](#)

Question:

Is a TCO authorisation required by Business Aviation Operators?

Answer:

Generally, yes. If you perform commercial air transport under an Air Operator Certificate (AOC) (operating aircraft for hire to transport passengers, cargo or mail) (e.g. under U.S. 14 CFR Part 135) then a TCO authorisation is required. If you file flight plans using the flight types “N” or “S” then you are conducting commercial air transport operations and must hold a TCO authorisation issued by EASA in order to operate to EU territories.
