

**FAQ n.65380****FAQs:**

[Supplemental Type Certificates \(STC\)](#) , [Applications for product certification/validation of foreign certificates](#), [Certification of products and organisations](#)

**Question:**

**On EASA STC certificates, the following statement “or later revisions of the above listed documents approved by EASA.” is below the list of “Associated Technical Documentation”. Are documents approved afterwards using a DOA privilege (e.g. minor change approval) covered by that statement?**

**Answer:**

Yes, the statement for “later revisions” “approved by EASA” is covering both cases:

- documents approved with EASA direct involvement
- documents approved by a Design Organisation holding a DOA with the appropriate scope and privileges as per Part 21
