

GA Conference - Prevention of Midair-Collisions

@AERO - Theatre East

9 April: 15:30 – 17:00

Host - John Franklin, EASA

1530: Opening and Keynote Address

- Florian Guillermet, Executive Director, EASA
- Angel Casado, Co-Founder of Open Glider Network

1540: Panel 1– *Conspicuity* Declaration

EASA, NAAs and GA associations jointly express their commitment to promote the development of *Conspicuity* Devices, their use and exploitation of related data to enhance aviation safety, foster innovation, and improve operational efficiency through collaborative analysis.

- Alain Leroy, Chief Engineer and Safety Adviser, EASA
- Marta Lestau Sáenz, Flight Safety Director, AESA Spain
- Karine Gay, Deputy Head GA Office, DGAC France
- Emmanuel Davidson, President France, IAOPA
- Michel Rocca, Vice-President, EAS
- Kyle Martin, Vice President - European Affairs, GAMA

1610: Panel 2– ADS-L Coalition

The group, which includes leading industry stakeholders, has officially expressed its commitment to the ADS-L protocol, citing its critical role in improving pilot situational awareness and supporting safer flying conditions. The coalition calls for widespread adoption of ADS-L to ensure interoperability and maximize safety benefits across the aviation community.

- Vladimir Foltin, GA Flightpath 2030+ Manager, EASA
- Urban Maeder, CEO and Co-Founder, FLARM
- Keith Vinning, Business Developer and Co-Owner, PilotAware
- Ralf Heckhausen, Director and Co-Owner, Avionix
- Tristan Fily, CEO and Co-Owner, SafeSky
- Marc Förderer, COO and Co-Founder, AIR Avionics
- Marco Festa, Director Avionic Products, f.u.n.k.e Avionics

1650: Summary and Conclusions

- Alain Leroy, Chief Engineer and Safety Adviser, EASA

1700: Conference Ends
