

European Union Aviation Safety Agency

FAQ n.19247

FAQs:

[Overview of the Recruitment process](#) , [Recruitment](#)

Question:

Does EASA have any age limit for people to apply?

Answer:

According to the 2014 Reform of the Staff Regulations the normal pensionable age within the EU-pension system is set at 66 years. Candidates who have not reached this pensionable age are eligible to apply to any published job of their interest.
