Question:

Can I work part-time during the Junior Qualification or Traineeship programme?

Answer:

Junior Qualification Programme: Yes. You are entitled to benefit from part-time work under certain conditions (e.g. after completion of the probation period). Check out our [benefits](#) for more details.

Graduate Traineeship Programme: No. All candidates who are accepted for a traineeship must work full time, which at EASA means 40 h/week and 8h/day.
