Question:

C.1.5 - Can I apply for a re-calculation of my fee if there is a change in the capacity of my organisation following, for example, a reorganisation, restructuring or redundancy programme?

Answer:

In the event of a change in the activity of an organisation, e.g. change to the number of staff, change of the facilities and/or courses, and upon declaration and approval of this change as a significant change with the appropriate EASA Form, the Agency shall re-calculate the next billing cycle(s) of the surveillance fee, following the approval of the change.
