Question:

Is it possible for ANSPs to provide training (e.g. transitional, pre-OJT, OJT, and continuation training) when having 'training' marked on its ANSP certificate without being certified as an ATCO training organisation?

Answer:

With the new ATCO Regulation (EU) 2015/340 and the introduction of the ATCO TO certificate template, the possibility according to Article 27(3) of Regulation (EU) No 805/2011 stating that 'The certificate may be issued for each type of training or in combination with other air navigation services, whereby the type of training and the type of air navigation service shall be certified as a package of services' is not anymore valid.

Furthermore, it is important to note that according to Article 8(2) of Regulation (EU) 2015/340 the certificates for air traffic controller training organisations shall be replaced with certificates complying with the format laid down in Appendix 2 of Annex II to said Regulation, and for the new applicants according to ATCO.AR.E.001(b), if the applicant training organisation fulfils the applicable requirements, the competent authority shall issue a certificate using the format established in Appendix 2 of Annex II.
