

**FAQs:**

[Applicability](#), [Third Country Operators \(TCO\)](#), [Regulations](#)

**Question:**

**We are a U.S. 14 CFR Part 91 operator. Are we subject to a TCO authorisation?**

**Answer:**

For operations performed strictly within the classification of Part-91, EASA does not require an authorisation under Part-TCO. These flights shall be designated a non-commercial (General Aviation) flight in the ATS flight plan.
