## FAQ n.116469

### FAQs:

[Other requirements](#), [Provisions applicable to both 'open' and 'specific' category](#), [Drones \(UAS\)](#), [Regulations](#)

### Question:

**Do I need insurance?**

### Answer:

You, as drone operator, are always required to have an insurance for your drone if you are using a drone with a weight above 20kg. However most of EASA Member States mandate a third party insurance also if you are operating a lighter drone. So please consult the national regulation.

*Regulatory reference: Article 14 (2) (d) of EU regulation 2019/947.*
