

Composite Initiatives involving EASA and Introduction to CMH17 updates

Online

Organised by: EASA

Event

Type: Webinar

Date:

26 Mar 2025

26/03/2025, 15:00 - 17:00 CET (UTC +1)

Description

The webinar intends to provide awareness of composite initiatives supported by EASA in scope of regulation and standardization of composite materials and structures.

Recent updates of CMH17 Handbook revision H will be also introduced with a focus on Damage Tolerance (Volume 3) and Sandwich Structures (Volume 6).

EASA presenters:

Introduction by Laurent Pinsard (Chief Expert Airframe)

Melanie Herman (Structures Expert)

Simon Waite (Senior Expert Materials)

Registration

Attendance will be on invitation only. However, we welcome all interested participants to register their interest by proceeding below with your booking. We will review each individual submissions and send confirmation emails to selected participants.

Please select the number of tickets you would like to obtain, click “next” and follow the steps in the online form.

In case the form is not displayed correctly, please try again using another browser (e.g. Google Chrome, Mozilla Firefox, Microsoft Edge, Opera, Safari).
