FAQ n.21934

FAQs:

Certification Support for Validation (CSV), Applications for product certification/validation of foreign certificates, Certification of products and organisations

Question:

Which types of approvals can be validated in Third Countries?

Answer:

The following approvals can be validated in Third Countries: Type Certificates (TC), Major Changes, STCs, AFMs and ETSOAs (European Technical Standard Order). Please send an application to Validation.Support [at] easa.europa.eu (Validation[dot]Support[at]easa[dot]europa[dot]eu).

Approvals may be validated in third countries with which EASA has no Bilateral Agreement and/or Working Arrangement in place or in third countries having a Bilateral Agreement and/or Working Arrangement with EASA.
