Validation of FAA STCs classified as Basic and limited to one serial number, General Aviation

Question:

What document do I receive?

Answer:

The application form FO.CERT.00134, "EASA validation of FAA Supplemental Type Certificate classified as Basic and limited to one serial number" contains on page 3 the EASA statement and approval number which will be signed, dated and stamped.

The statement below is proof of EASA validation. Please place this page in the aircraft log.

6. EASA Statement - To be filled in only by the European Union Aviation Safety Agency		
The FAA Supplemental Type Certificate specified i	in section 3 i	s classified as Basic and hereby
validated for the aircraft identified in section 4. This	s validation is	s limited to the serial number
under 4.1.		
EASA Approval Number		
Date	Name	EASA Signature
