Publication Reference: EASA.2021.CEI.21

Date: 15/05/2023

	DATE	QUESTIONS	ANSWERS
1.	14/10/2021	<p>In relation to the technical and professional capacity required to apply for Area 5 – Drones, Criterion (b) is not clear. According to Regulation EU 947/2019 registration is mandatory for drone operators but not for individual drones. Moreover, for operations in the Open category, no approval certificate from the NAA of the EASA Member State is required.</p> <p>Therefore, could you please clarify what kind of information is required among the following, which is what is possible to provide according to the current regulation:</p> <ul style="list-style-type: none"> • Operator registration number • Pilot certificate of competence for operations in Open subcategories A1/A2/A3 • Declaration submitted to the NAA for operations in Standard Scenarios • Authorization from NAA for operations in the Specific Category 	<p>For the Sub-list 5 - Criteria (b) is sufficient to submit as a minimum one of the following:</p> <ul style="list-style-type: none"> • Operator registration number • Pilot certificate of competence for operations in Open subcategories A1/A2/A3 • Authorization from NAA for operations in the Specific Category

2	02/05/2023	<p>We are specialized in developing Serious Games and are interested in entering the Sub-list 1 – Aviation Specific Animations and Serious Games. However, we have not yet worked in the field of aviation, which seems to be an eliminatory selection criterion. Is this still the case or can we apply?</p>	<p>All the criteria published in the Call specifications EASA.2021.CEI.21 are valid. As per section 3.3.2, Technical & Professional Capacity, the candidate must possess, among others, the following technical and professional capabilities in order to perform the contract:</p> <p>Criteria a.: Completion of at least 3 previous animated videos or serious game projects within the aviation domain produced within the last 3 years.</p> <p>For the full set of requirements / criteria, please consult the Call Specifications.</p>
