## **TERMS OF REFERENCE**

**TOR Nr:** MDM-010

**Issue:** Final

**Date:** 8 April 2005

**Regulatory reference:** Part-21, Part-M, Part-145, Part-66, Part-147 and associated AMC/GM

**Reference documents:**

**1. Subject:** AMC/GM status – sharing of information

**2. Problem / Statement of issue and justification; reason for regulatory evolution (regulatory tasks):**

When the Agency deviates from certification specifications it shall consult widely and make its intentions public throughout the European Union. For the sake of fairness the same principles should apply to other means of compliance when accepted by Member States so that other Member States can make use of them. The proposal is to establish procedures for the introduction of such alternative means of compliance under the Agency's certification specifications.

**3. Objective:**

Sharing of means of compliance accepted by Member States.

**4. Specific tasks and interface issues (Deliverables):**

Development of an opinion to introduce a paragraph in Part-21, Part-M, Part-145, Part-66, Part-147 and/or a decision to introduce guidance in its related AMC/GM.

**5. Working Methods** (in addition to the applicable EASA procedures):

Drafting carried out by the Agency.

**6. Time scale, milestones:**

NPA to be published by December 2006.

Opinion to be issued by October 2007.
