

General Aviation - Season Debrief

online event

Organised by: EASA

Date:

12 Nov 2021

Description

Date & Time

12/11/2021, 12:30 - 13:30 CET (UTC +1)

Description

The GA Season Debrief will consider the main lessons that have been identified from 2021 (and back to 2020).

EASA and other GA Pilots will reflect on their own experiences over the summer that we can identify the main take aways as pilots on what to work on over the winter months, so we can be prepared for a great year in flying 2022.
