

European Union Aviation Safety Agency

## FAQ n.45298

### FAQs:

[Technical requirements](#), [ETSO authorisations](#)

### Question:

**How to get the list of deviations that one can use for a specific ETSO?**

### Answer:

Deviations of other applicants can be reused in an application for ESTO Authorisation, provided an equivalent level of safety can also be provided with your design. To find all the deviations that can be reused, one has to look at two different locations, depending on the date of approval of the deviation. For deviations first used in an Authorisation before January 1, 2013 [consult the list of approved deviations](#).

For all other deviations [a search function is provided](#).

To limit the displayed deviation to a specific ETSO enter the ETSO number in the field named search and click on Apply.

The screenshot shows the EASA website's 'Product Certification Consultations' page. The left sidebar contains navigation menus for 'Application Forms', 'Regulations', 'Agency Rules (Soft Law)', 'Rulemaking Process', 'Public Consultations', 'Product Certification', 'International Cooperation', 'Research & Publications', and 'Event Proceedings'. The main content area lists four expired deviation requests:

- 04 JUL 2016** Deviation Request ETSO-C10b#10  
CS-ETSO applicable to Aircraft Altimeter, Pressure Actuated, Sensing and Reporting (ETSO-C10b)  
**EXPIRED**  
Deadline for comments: 01/08/2016 | Consultation Type: ETSO
- 29 JUN 2016** Deviation Request ETSO-C96a#4 for an ETSO approval for CS-ETSO applicable to Anticollision Light Systems (ETSO-C96a)  
**EXPIRED**  
Deadline for comments: 29/07/2016 | Consultation Type: ETSO
- 17 JUN 2016** Deviation Request ETSO-C95a#1  
ETSO approval for CS-ETSO applicable to Mach Meters (ETSO-C95a)  
**EXPIRED**  
Deadline for comments: 11/07/2016 | Consultation Type: ETSO
- 17 JUN 2016** Deviation Request ETSO-C8e#1  
ETSO approval for CS-ETSO applicable to Vertical Velocity Instrument (Rate-of-Climb)  
**EXPIRED**  
Deadline for comments: 11/07/2016 | Consultation Type: ETSO

The right sidebar contains 'SEARCH FILTERS' with a search input field, 'Deadline for comments' (Start date and End date), 'Manufacturers', and 'Consultation Type' (ETSO selected). There are checkboxes for 'With Comments' and 'Without Comments', and 'Apply' and 'Reset' buttons.

A green arrow points to the 'EXPIRED' status of the first entry. A cookie consent banner is at the bottom: 'We use cookies on this site to enhance your user experience. By clicking any link on this page you are giving your consent for us to set cookies. OK, I agree No, give me more info'.

To limit the display to deviations for which the consultation ended during a specific period, select the start date and the end date in the calendars that pop up, when you click in the fields named Start date and/or End date. It is important to select every time the day of the month in a popped up calendar before you click on Apply, because otherwise the date will not be updated for the following search.
