

**FAQs:**[ATCO Licensing, Regulations](#)**Question:****ATCO.D.015(f) 'Initial training plan' - What does this paragraph mean?****Answer:**

As the provision ATCO.D.010(b), referenced in ATCO.D.015(f), explicitly refers to 'training for an additional rating', the initial training plan shall include the description of a process to permit an applicant who has successfully completed initial training (therefore holding a student ATCO licence or an ATCO licence) to join an initial training course only for the rating training course therein, to achieve one or more additional ratings. This provision is relevant in particular in the case of integrated initial training courses, which are established in accordance with ATCO.D.020(a) and (b).
